**Program Overview**

**Monday, October 12**

8:00  
**Summit Check In & Continental Breakfast**

8:30  
**Welcome**  
Olga Padilla-Zakour  
*Professor and Chair of Department of Food Science, Cornell University*

8:45-9:00  
**Opening Remarks**  
Julie Stafford  
*Industry Liaison Officer, Cornell Institute for Food Systems Industry Partnership Program*

9:00 – 10:00  
**Agriculture In The Information Age**  
Nick Dokoozlian  
*Vice President, Viticulture, Chemistry and Enology, E&J Gallo*  
Craig Yunker  
*Managing Partner, CY Farms & Batavia Turf*  
Neil Mattson  
*Associate Professor, School of Integrative Plant Science Horticulture Section, Cornell University*

10:00 – 10:45  
**Upgrading Food Processing and Packaging**  
The Untapped Potential of Packaging in Food Systems  
Lora Spizzirri  
*Packaging Innovation Consultant*  
Joyce Longfield  
*Applications & Regulatory Specialist, North America, Hiperbaric*

10:45-11:15  
**Refreshment Break**

11:15-12:00  
**Big Data Throughout the Food System: Driving Decisions, Designing the Future**  
Key Note Speaker: Robin Lougee  
*IBM Research*
12:00-1:00  **Networking Lunch**
- Student Poster Session
- Stocking Hall Tours (self-guided)
- CIFS-IPP Member Networking
- Exhibitor Tables & Technology Demonstrations

1:00-1:45  **Innovation through Interconnection: Maximizing Feedback Impact**
Dave Barbano  
*Professor, Department of Food Science, Cornell University*

Mike Van Amburgh  
*Professor, Department of Animal Science, Cornell University*

Marina von Keyserlingk  
*NSERC Industrial Research Chair and Professor, Animal Welcome, University of British Columbia*

1:45-2:30  **Regionalizing Food Value Chains**
Miguel Gomez  
*Associate Professor, Charles H. Dyson School of Applied Economics and Management, Cornell University*

Chuck Nicholson  
*Adjunct Associate Professor, Charles H. Dyson School of Applied Economics and Management, Cornell University*

2:30-3:30  **Enhancing Consumer Health from Distribution to Diet**
Deborah Estrin  
*Professor, Computer Science, Cornell Tech*

Jeanne Colleluori  
*Consumer Affairs, Wegmans*

Oliver Gao  
*Associate Professor, Civil and Environmental Engineering, Cornell University*

3:30 – 4:00  **Refreshment Break**

4:00-5:00  **Promoting Policies that Empower Food Systems**
The Impact of Climate Change on our Interconnected and Interdependent Food Supply
Mike Hoffmann  
*Executive Director, Cornell Institute for Climate Change and Agriculture*
5:00-5:30  **Closing Remarks for Today and the Future**  
Mike Van Amburgh  
Professor, Department of Animal Science, Cornell University  

**Mike Kreher**  
*Director of Strategic Business Development*

5:30-6:30  **Wine and Cheese Reception in the Stocking Hall Gallery**

6:30 – 8:00  **Dinner**  
Alex Susskind  
*Associate Professor, Food & Beverage Management, Cornell School of Hotel Administration*
